Italians Lose Six Thousand Men and Abandon Arms and Ammunition

(By Associated Press.)

BERLIN, Dec. 10.—According to information received at military quarters, the Anglo-French expedition in the Balkans has continued its retreat, and now has entirely evacuated Serbian territory. Reports from Constantinople say the well organized Senussi tribesmen and Tripolitans have occupied the whole valley of Tripoli. Senussi has entered Kasasryt. He is reported to have routed the Italians, who are said to have lost six thousand killed and have abandoned a large quantity of arms and ammunition.

HAWAIIAN MINSTRELS PLEASE THE PEOPLE

ANOTHER CONCERT WILL BE GIVEN AT THE AIRDOME THIS EVENING

The Hawaiian Minstrels are not strangers to Tonopah. They packed the Miners' Union hall two evenings when they were here before and last evening they drew a big house to the Airdome.

This company is composed of ideal musicians, possessing both sympathy and technique. Their songs come from the heart, whether in rollicking melody or in the sad, sweet songs of the islanders.

Aloha is, of course, the chief treasure of their repertoire and it was received last evening with tumultuous applause. This evening at the Airdome the Hawaiian national song will again be heard, but otherwise the program will undergo a complete change. The concert will not begin until the conclusion of the first show at the Butler. This theater is now comfortably heated and the concert may be enjoyed without fear of draughts, while the acoustic properties have been materially improved.

FITTING RESIDENCE FOR SCHOOL USES

THIRD GRADE TO BE MOVED TO NEW ROOM AND GIVE PLACE TO KINDERGARTEN

One of the residences belonging to Tonopah school district was vacated yesterday and today carpenters are at work making the necessary alterations to fit it for school purposes. The main part of the building will be used as a grade room, while a portion of the large back kitchen will be fitted up for the manual training department.

The third grade which is now occupying the kindergarten quarters will be moved to this new room and the kindergarten will reoccupy the old quarters. The alterations will be completed in time to permit of re-opening the kindergarten on Monday next.

BONANZA IS HELPED OUT OF PREDICAMENT

The Bonanza appears short of its usual type today through the illness of Walter Richardson, the linotype man, who worked yesterday under heavy stress, but was in serious condition this morning. Mr. V. L. Ricketts, manager of the Goldfield Tribune, was called from his bed at an early hour this morning and told of the Bonanza's predicament. He most kindly spared the services of one of his operators, D. B. McGue, who arrived from the south at 10 o'clock and has done his best to make up for the time that was lost. To Mr. Ricketts the Bonanza expresses gratitude for the neighborly favor, as well as to the accommodating and capable operator.

SOCIAL ENJOYED AT PRESBYTERIAN CHURCH

PLEASANT PROGRAM RENDERED AND ANOTHER IS IN NEAR PROSPECT

The social at the Presbyterian church last night was greatly enjoyed by all present. After an hour of friendly conversation many games of much amusement were engaged in to the delight of all present.

A short program was then given. Instrumental duet, Mrs. McDonald and Mrs. Bayless; reading, Mr. Clendenin; instrumental solo, Mrs. Wheeler; vocal solo, Miss Foltz; reading, Mrs. H. B. Sneeve; vocal solo, Miss Harris. Dainty refreshments were served and then everyone was loath to leave, and many lingered for quite a time, feeling that it was a good place to be. All enjoyed the evening and are looking forward to another gathering of the same nature.

DAY OF REJOICING COMES TO TONOPAH

Again we're all happy, for the checks are issued and the gold and currency are being received in exchange. Indebtedness is being annihilated and a little or much is being put aside against the coming of the rainy day.

This is the best payday that Tonopah has had this year. So the bankers say. They made more extensive preparations to cash checks than

they have done at any time this year. It will require more than \$400,000 to square up everything, payroll, supplies, electric power and incidentals. Both banks were crowded to the doors today and it was noticeable that the receiving teller was kept almost as busy as the one who paid, indicative that the miners and millmen of the camp are taking precautions against the future.

CHANCELLOR'S ADDRESS RECEIVES APPROVAL

(By Associated Press.)
BERLIN, Dec. 10.—Deputy Otto Landsberg, a Socialist Democrat, in a speech in the reichstag expressed approval of von Bethmann-Hollweg's address as a reasonable invitation to the entente allies to initiate peace negotiations, in which Germany is willing to join. COLUMBUS, O., Dec. 10.—Preparedness by business men to mobilize the resources of the nation as a measure of national defense was urged by President Wilson while addressing a chamber of commerce luncheon in his honor. WILLARD PROPERTIES ARE BEING WORKED

EQUIPMENT OF GOOD CAPACITY TO BE INSTALLED ON PROPERTIES

Three important events in Willard history transpired during the last week. These were the sale of a large interest in the Kaiser lease on the Shepherd's Dream, a move toward the consolidation of the properties surrounding the Honey Bee, and the resumption of work on the Finland group by the owners, says the Review-Miner.

H. T. Godfrey, representing San Francisco capital, bought the interest of H. A. Cahill in the lease on blocks 5, 6, and 7, on the Shepherd's Dream and Banker's Dream claims. He will install a hoist on the Paulson shaft which is now down 65 feet and sink to the 300 level at which point the main vein should be encountered. The work will be done as a result of the success of Kaiser and Cahill in picking up the ore which was lost last summer by former lessees. It is said that the shoot is better where picked up in the new workings than it was before. The fortunate owners claim to have several thousand dollars in sight.

SECRETARY GARRISON'S DEFENSE REPORT

(By Associated Press.)

WASHINGTON, D. C., Dec. 10.—Secretary Garrison has announced a special national defense report. It was prepared at his request by the war college division of the general staff. It showed that the army itself considers itself unable to secure continental United States from attack. It would be necessary to have a mobile

army of a million and a half, fully or partly trained men. The recommendations are: Regular army, 121,000; reserves, 379,000; continental army, under training from three months to a year, 500,000; on furlough but subject to additional training before taking the field, 500,000. The militia, no provision beyond the annual appropriation of \$7,900,000.

SHIPBUILDING YARDS OF ENGLAND BUSY

GREAT DIFFICULTY IN FITTING UP MERCHANT VESSELS WITH EQUIPMENT

(By Associated Press.)

LONDON, Dec. 10.—While the vast resources of the various ship building yards of Great Britain are largely concentrated on naval work, it is believed that during the next few months much of the urgent naval shipbuilding will be completed and a certain number of men released for mercantile building and repair work.

At present, however, there is great difficulty in fitting new mercantile vessels with propeller machinery and other equipment, largely through the number of men engaged on admiralty work and more recently by the new recruiting campaign which is slowly but surely depleting the yards of necessary workmen. Despite these drawbacks seven new vessels have just been completed on the Clyde, including the New Zealand passenger steamer Aotearoa, 15,000 tons, the Leyland and motor liner Bostonian and the motor ship Montezuma.

BASKETBALL GAME WILL BE DEFERRED

CONTEST WITH POCHE IS NOT YET DEFINITELY AN AS- SURANCE

Miss Jennie Johns, athletic manager of the girls basketball team, received a message from Poché this morning saying that as yet they had not organized a basketball team and would not be able to arrange for a game with Tonopah, at least not at present. The girls have not heard from Bunkerville as yet, but expect a message today. If it is possible to arrange games with these smaller towns, besides playing Las Vegas, the team will be allowed to carry four substitutes.

W. W. BOOTH'S CASE IS SET FOR TRIAL

W. W. Booth, editor and manager of the Tonopah Daily Bonanza, was arraigned before Judge Emmet Walsh of Esmeralda county, presiding in the stead of Judge Mark R. Averill of the fifth judicial district court of Nye county this morning on the charge of criminal libel.

Over the most strenuous objections of his attorney, Milton M. Detch of Goldfield, who argued that there was no apparent necessity for the immediate trial of the case, the judge set it for trial on December 27. It was the desire of the defense that the case be continued until January. The judge ordered a venire of one hundred citizens to be drawn, which was done in the presence of Judge Walsh, County Clerk Pohl, Mr. Booth and Mr. Detch. The names of the jurors will be published later.
